Thought for the day

"The brick walls are there for a reason, The brick walls are not there to keep us out; the brick walls are there to give us a chance to show how badly we want something. The brick walls are there to stop the people who don't want it badly enough. They are there to stop the other people!" – Randy Pausch

RI President Dong Kurn Lee

Let us Make Dreams Real

UNICEF's *State of the World's Children 2008* report states that, "by 2006, the most recent year for which firm estimates are available, the annual number of child deaths globally fell below 10 million, to 9.7 million, for the first time since records began." I would guess that some of the improvement in child survival rates can be directly attributed to Rotary projects that have been successfully addressing problems related to health, hunger, water, and literacy for a number of years now. So I asked myself what would happen if 1.2 million Rotarians focused their service efforts on keeping even more children alive?

PRESIDENT DONG KURN LEE

The Four Way Test Of the things we think, say or do...

Is it the *Truth*?

Is it *Fair* to all concerned?

Will it build *Goodwill* and *Better Friendships*?

Will it be *Beneficial* to all concerned?
