Foundation Horizons

Floods Devastate North Georgia, USA

Georgia counties are still dealing with the massive destruction caused by late September's torrential rains and flooding. Rotary has been at the forefront to help with clean-up and provide assistance for people whose homes and businesses were destroyed. Clubs or Districts interested in providing disaster relief may contact PDG Steve Stanfield (D6900) via email at stevestanfield@bellsouth.net or Jerry Cooper (D6910) via email at jcooper@cherokeega.com.

November is Foundation Month

Celebrate Rotary and show that **The Future of Rotary is in Your Hands** by working with your zone team and club and district leaders to focus Foundation Month activities on promoting contributions to the Annual Programs Fund, Rotary's US\$200 Million Challenge, and the Permanent

Rich Panyik, Rotary VP John and Judy Germ and Marla Panyik at Rotary's "Strike Out Polio" Day at the Atlanta Braves

Fund. Sharing these important messages will help keep Rotarians actively involved and keep the Foundation's programs strong. Below are some suggestions for a successful month:

- ◆ **Club Programs:** Ask that every club in your districts to hold at least one club program on the Foundation during November.
- ◆ **Guest Speakers:** Call your DGs, DRFCs, AGSCs, and/or club presidents and let them know you and your zone team members are available to speak at district Foundation seminars, conferences or clubs in your zone. Ask Foundation alumni or a beneficiary of a Humanitarian Grant project in your districts if they would be interested in speaking at a district or club event.
- ◆ **Recognition:** Encourage clubs and districts to recognize Major Donors, Bequest Society members, Paul Harris Society, Paul Harris Fellows, and Rotary Foundation Sustaining Members during this important month.
- ◆ **Non-Contributing Clubs:** Contact those clubs that have not yet made a contribution to The Rotary Foundation and ask that they consider doing so this month.
- ◆ **Publicity:** Publicize the great works of the Foundation in local newspapers, radio, and cable TV stations by highlighting newsworthy programs that your districts have supported. Local media often looks for compelling stories to tell. Why not tell your Rotary story?

Alfred A. Montapert said, "To accomplish great things we must first dream, then visualize, then plan... believe... act!" This is what the leaders that shaped The Rotary Foundation did. Today, the vision of The Rotary Foundation is to create a long lasting peace that will make the world a better place and the people more committed to embrace the benefits of peace. Leaders establish the vision for the future and set the path for getting there. You are that Leader! What can you Imagine?

Best Rotary regards,

Rich Panyik

Zone 34 RRFC

Greetings from Deborah Lowe

As Major Gifts Officer for Zone 34, I've had the pleasure of attending and presenting programs at events and visiting with Rotarians in Districts 6900, 6910, 9620, 6890, 6960 and 6980 over the last few months.

The 2009-2010 Rotary year is off to a great start with well-attended, inspiring Foundation Seminars and successful Club fundraisers. Rotarians continue to recognize that now more than ever, there is a critical need for support of our Rotary Foundation and its programs. Zone 34 Rotarians continue to be amazingly generous in their giving and that generosity has already been recognized at several Major Donor events with more in the planning stages. Thank you to everyone who hosted me for home stays and served as liaisons during my recent travels. I am grateful to all of you for your enthusiasm and support!

As your regional major gifts officer, I am available to help you cultivate major gifts and provide stewardship to our Rotarians who make all of The Rotary Foundation's good work possible. In addition to presenting programs about The Rotary Foundation at your district events or to your clubs, I am a resource for information about all aspects of our Foundation. Feel free to contact me at 407-846-0610 or email: debra.lowe@rotary.org.

Giving Reports: Zone 34

Our Annual Programs Fund **goal for 2009-2010 is \$3,936,246**

At the end of the first quarter of this Rotary year, Zone 34

Rotarians have donated \$585,415.

Pages 7 and 8 of the newsletter provide the details from the Rotary Foundation as of the end of September 2009.

In Memoriam

We are sad to report that **Astra Da Costa, District Governor of Rotary District 7030**, died October 15 of complications related to the H1N1 flu virus. Astra was the executive chairman of Port of Spain company, Ample Advertising, and the chairman of the Queen's Hall board of directors. She was the first woman to lead this district that spans part of the Caribbean and the northern tip of South America, and she was a Level One Rotary Foundation Major Donor..

Astra joined the Rotary Club of Central Port of Spain, Trinidad in 1995. From her biography on the District 7030 website, we learn that Astra played a key role in revitalizing her club, raising attendance levels and participation in the club's various projects. Astra's term as President saw the club establishing an Emergency Medical Relief Fund to underwrite surgery and medical treatment for underprivileged youth; enhancing its Adopt-a-Child Program allowing an increased number of students to receive school books; expanding the reach; securing extended support and funding for its Model United Nations Assembly (MUNA) project through the Ministry of Education and major corporate sponsors.

In 2004, Astra served as Trinidad and Tobago's Rotary Disaster Chair, supporting Clubs' response efforts, securing and shipping donations to the island, and spearheading a fundraiser dedicated to assisting with rebuilding one of Grenada's major Secondary Schools. At the District level, she has been a facilitator on the District Training Team since 2002, speaking at PETS, Assembly and Conference and at training sessions for Assistant Governors on Public Relations, Rotary's Image, Time Management and Club Administration. She has served as Assistant Governor, District Public Relations Chair, GSE Chair, Faculty and Public Relations Officer of RLI.

Astra was founder of the Ample Advertising Agency. Her Business partner Alfred Aguiton said, "Her contribution was in most respects unparalleled and covered a range of social and corporate responsibilities. She turned out to be a paragon of professionalism and I don't know anyone who could have been a better partner in the profession."

Call for Entries: 2009-2010 Global Alumni Service to Humanity Award

The Global Alumni Service to Humanity Award is to honor an outstanding former Foundation program participant for Service Above Self and help publicize the social benefits of the Foundation's programs. Each District may nominate one candidate at the Zone level (with the District Governor's approval), then Zone nominees are forwarded to the Rotary Foundation for selection of a recipient for this Rotary year.

Our Zone's entry is due to RI World headquarters by December 31, 2009. The brochure attached to this newsletter includes all the details regarding eligibility and the nomination process. If you have questions, please contact Owen Freed, our Zone's Rotary Foundation Alumni Coordinator, or Rich Panyik. Their contact information is on page 9 of the newsletter.

Foresight ...

Take Me Out to the Ball Game

As we approach the World Series, here's an idea for a little sun, a little Rotary fellowship and some fund-raising

Eugene Bell, PDG District 6950 and Assistant Regional Rotary Foundation Coordinator, started a fundraiser nine years ago for The Rotary Foundation — a day at a Rays game open to all Rotarians from any district or club. By this year's ticket sales deadline in August, Gene reports that over 700 will be attending from 46 Rotary Clubs of three districts. Ten dollars from each ticket goes to TRF in the name of the purchaser. That's over \$7,000 for TRF! The President from the Club selling the most tickets gets to throw a ceremonial first pitch.

Nearly 670 Georgia Family of Rotary members gathered for a Day at the Atlanta Braves Game in August — raising \$3,800 to help meet the Rotary Polio Challenge.

Grandsons of Zone 34 Polio Challenge Chair Robert Hall (PDG, D6900) with Roy Strickland, District Governor, D6900).

Brent Williams Named As Zone 34's 2010-2013 Regional Rotary Foundation Coordinator

PDG Brent Williams (D6970) has been appointed to a three-year term as RRFC beginning July 1, 2010. As RRFC, Brent will work closely with the District Governors and District Rotary Foundation Chairs for the 14 Districts in Zone 34 to help increase support for The Rotary Foundation to help us continue "Doing Good in the World." Brent is currently the ARRFC for Districts 6940, 6960 and 6970.

Foresight: Foundation Seminar/Event Ideas

Choose Your Learning Menu

The committee responsible for **District 6960's Foundation Seminar in Port Charlotte, Florida** felt there were so many important new developments in our Foundation that there was insufficient time to present all topics to all participants. They set six learning menus for the event:

- ◆ Annual Programs Fund
- ◆ Educational Programs (Ambassadorial Scholars and GSE)
- ◆ Humanitarian Grants (MG and DSG)
- ◆ Permanent Fund and Major Gifts
- ◆ Paul Harris Society/PHS Club Program
- ◆ New Reports/Foundation Recognition Points

Rotarians selected the menu of most interest – any of the four topics above – when they registered. Participants received a notebook outlining all six subjects. The presenters rotated among meeting rooms – attendees stayed in one breakout room for the whole session.

At the end of the learning sessions, attendees joined together for lunch – featuring a stirring Foundation speech by **Rotary International Director-Elect John Smarge**.

The 135 Rotarians and guests were unanimous in saying this format was one of the best ever in District 6960!

District 6900 (Georgia, USA) was delighted to welcome Past RI President and Past Rotary Foundation Chair Frank Devlin as the featured speaker for its annual Foundation dinner, honoring Major Donors, Bequest Society and Paul Harris Society members. Attendees received a copy of Frank's new book on The Rotary Foundation, and he graciously signed those books during the pre-dinner reception..

High-Energy Session in Orange Park

Approximately 190 Rotarians gathered in **Orange Park, Florida for the 2009 edition of the District 6970 Rotary Foundation Seminar**. The energy level was high, and many positive comments were made about the seminar's educational value and opportunities for fellowship.

PDG Tommy Grimes, who just completed a three year term as District Rotary Foundation Committee Chair, received the Certificate of Meritorious Service Award from the Board of Trustees of The Rotary Foundation – presented to him by Glenn Estess.

Some highlights:

- ◆ **Chairman of The Rotary Foundation and Past Rotary International President Glenn Estess** and his wife Mary were our special guests, and their presence made the gathering even more special. Chairman Glenn provided us all with his vision of the future of The Rotary Foundation (TRF) during his keynote address at the conclusion of the seminar.
- ◆ **DGE Cynde Covington tugged at all of our hearts** when she shared her stories and photographs from the polio eradication trip that she and her husband Barry participated in last winter.
- ◆ **Annual Giving Officer of TRF Joanne Bertsche** (Evanston) anchored the workshop on Annual Giving – joined by District 6970 Annual Giving Chair John Curtin, Sr. and District Paul Harris Society Chair Ed Denston.
- ◆ **Past RI Director Ken Morgan** came from North Carolina to make a compelling presentation about the impact of large gifts to support the good work of TRF
- ◆ **A workshop on The Educational Programs of TRF** gave an overview of Group Study Exchange, Ambassadorial Scholarships and Rotary's efforts in Peace & Conflict Resolution and highlighted the District's efforts of "Doing Good in the World" through participation in these programs.

will you?

Include The Rotary Foundation in your estate plans to forever be a part of Rotary's legacy of doing good in the world.

Receive a special invitation to join the Bequest Society by contacting 847-866-3100 or plannedgiving@rotary.org. Thank you.

Test Your Foundation Knowledge: What Are Donor Advised Funds?

A Way to Fulfill Philanthropic Goals and Support The Rotary Foundation!

The Rotary Foundation donor advised fund is a convenient way to simplify your charitable giving and take advantage of tax savings at the same time. A donor advised fund account is similar to an investment account earmarked exclusively for charitable giving. It allows you to make contributions and grant recommendations to the Foundation and other preferred charities at your convenience.

In many ways, it's like having your own foundation to support your favorite causes, but without the hassles and paperwork. Individuals or a married couple (Individual accounts can have a maximum of two account holders.) or a Rotary-affiliated group can establish a donor advised fund account with The Rotary Foundation for a minimum, irrevocable contribution of \$20,000 or more.

Donor advised fund accounts offer these benefits:

- ◆ Support to The Rotary Foundation and other preferred charities
- ◆ Immediate tax benefits
- ◆ Professional asset management
- ◆ Flexibility to make [grant recommendations](#) suited to your timetable
- ◆ Easy record-keeping and tax reporting
- ◆ Bequest Society membership for individual donor advised fund account holders
- ◆ No start-up fees

How the Donor Advised Fund Works:

- ◆ Individual(s) or a Rotary-affiliated group (e.g., the Rotary Club of Anytown, USA) makes a minimum initial contribution of US\$20,000 in cash or securities and receives an immediate tax deduction.
- ◆ Accountholders may recommend how the contribution will be allocated among four available investment portfolios
- ◆ Individual(s) or a Rotary-affiliated group recommends when and how much to grant to other IRS-approved charities. Each year, The Rotary Foundation's programs benefit from an annual grant distribution to the Annual Programs Fund. "Individual" DAFs will eventually create a lasting legacy with the Foundation's Permanent Fund.

Donor Advised Funds are appropriate for Rotarians who:

- ◆ Wish to support The Rotary Foundation and other favorite charities
- ◆ Want to maximize their tax deductions, especially in years when offsetting tax liabilities is especially desirable
- ◆ Own highly appreciated securities, restricted stock, or privately held stock
- ◆ Are concerned about managing the paperwork and tax reporting associated with operating a separate foundation
- ◆ Are looking to incorporate charitable giving into estate planning
- ◆ Want their charitable dollars professionally managed

For more information, contact **Debra Lowe, Major Gifts Officer Zone 34** at: 407-846-0610 or by email to debra.lowe@rotary.org

Zone 34 2010-11 Foundation Seminar: Save the Date!

Incoming RRFC Brent Williams has been working closely with Zone 34 RIMC Jim Henry, and they have set the dates for the 2010 Rotary Foundation Seminar and Membership Seminar. **The inclusive dates of the seminars are Monday, May 24, 2010 through Wednesday, May 26, 2010.**

Response to the Zone Foundation Seminar held last June was overwhelmingly positive, as was feedback on linking the Foundation and Membership Seminars, so that district leaders can easily and conveniently attend both seminars. Based on the strong consensus of attendees, representing all 14 districts in Zone 34, we will keep the seminar in Evanston.

Attendees also made many positive comments about the Evanston Hilton Garden Inn as the seminar venue. RRFC Rich Panyik did a great job in planning and implementing the 2009 seminar. He had strong support from TRF management and staff members, who made themselves available to participate as presenters and resource personnel. Incoming RRFC Brent has had conversations with key TRF personnel, who have assured him that same cooperation and participation will continue with the venue remaining at Hilton Garden Inn.

The order of the seminars will flip in 2010. Jim will truncate the schedule for the Membership Seminar, and it will last one full day on Monday. We will still have a joint banquet for attendees of both seminars as we have done so the past couple of years, and the banquet will be Monday night. The Foundation Seminar will then begin Tuesday morning, continue throughout that day, and then will conclude with a half-day session on Wednesday. Brent will set the agenda so that the meetings conclude by 11:30 AM, so that everyone will be able to catch flights home that afternoon.

Everyone traveling to Evanston to attend both the Membership Seminar and the Foundation Seminar should arrive by Sunday evening, May 23 and make plans to remain in Evanston until Wednesday afternoon. Those coming for just the Foundation Seminar should arrive by Monday afternoon, in order to be able to attend the banquet that evening.

Brent will send out more details as they emerge, but he wanted you to mark your calendars now for these seminars.

Polio Eradication and the \$200,000,000 Challenge ...

World Polio Day: October 24

Rotarians worldwide will recognize World Polio Day and the late Dr. Jonas Salk, developer of the world's first safe and effective polio vaccine. Poliomyelitis, finally on the verge of eradication, has been one of the most feared diseases of the last century. At that time, polio crippled or killed over 500,000 people, mostly children, annually.

In 1985 Rotary International made a promise to the children of the world to eradicate polio. We engaged important partners in the World Health Organization, UNICEF, and the Centers for Disease Control and Prevention. Together, since that time, we have eliminated polio from most of the world.

Today, 4 countries, Pakistan, Afghanistan, India, and Nigeria, remain endemic. We still have work to do around the world— vaccine to give, monitoring to ensure the disease doesn't come back. And money to raise to meet the Bill and Melinda Gates Foundation Challenge. Keep thinking about how you can help us make a difference.

**Your Polio Zone 34 Challenge Coordinator,
PDG Robert Hall, D6900**

Foresight ...

Poker for Polio

The Rotary Clubs of Royal Palm Beach, Wellington, Acreage/Loxahatchee, Belle Glade and Pahokee (D6930, Florida USA) came together for the Poker for Polio Charity Tournament at the Links at Madison Green. The event featured hors d'oeuvres, live and silent auction items, and a lot of poker playing. An awards ceremony took place as well. Terri Wescott was named Rotarian of the Year. Proceeds were pledged to Rotary International and have been marked for a matching grant from the Bill and Melinda Gates Foundation.

Club Challenge

In PDG Robert Hall's own Rotary Club of Dunwoody (D6900, Georgia USA) Rotarians are filling End Polio milk cartons with loose change (and a few very carefully folded \$20s) to take advantage of Robert's offer to match up to \$1,000 in contributions to the \$200 million challenge.
