

BE A PART OF ENDING WORLD HUNGER TODAY!

- More than 110 million starving children live in just 10 countries in the world.
- Undernutrition is associated with more than half of all childhood deaths.
- A child dies every 15 seconds because of he/she is severely underweight or lacks essential nutrients... Everyday, that equals 20 jumbo jets full of kids crashing!
- More people die each year from hunger-related causes than AIDS, malaria and tuberculosis... COMBINED. We can feed a hungry child for \$0.25 per meal!

WON'T YOU JOIN WITH THE ROTARY CLUBS OF CITRUS COUNTY TO STOP **HUNGER NOW**? A meal packaging event is scheduled for **Saturday, Feb. 26, 2011**, at Crystal River High School. To contribute, use the form below. For more information or to volunteer, call (352) 795-0404

DONOR FORM
