### Where did 50,000 meals go??

Good Morning –

I hope you are doing well. I am excited to update you that meals from your packaging event have been shipped in a container full of 285,120 meals from our Raleigh Warehouse. The meals were shipped directly to Lesea Global Feed the Hungry for their nutrition programs in Uganda which will go to feed approximately 650 children daily. I have provided more information below about our partner in Uganda.

We want to thank you tremendously for partnering with us to help end world hunger in our lifetime.

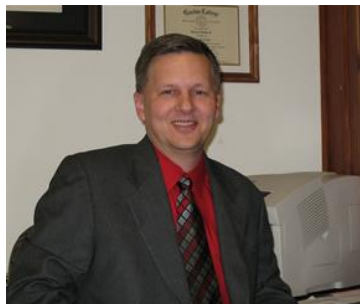

Lesea Global Feed the Hungry – <http://www.feedthehungry.org>

For almost twenty years more than 165 million dollars of food and relief supplies have been distributed in 82 nations of the world. The food they receive is put directly into the hands of local leaders who intimately know the needs of their communities. Because of the generous support of partners and the strong network of International Offices, Feed the Hungry has been able to provide emergency relief to those in need due to famine, drought, flood, war, or other natural disaster. With respect to this shipment, LGFTH will utilize the fortified meals in nutrition programs for approximately 650 children in eight orphanages that they oversee. The food will be stored at a central secure warehouse in Monrovia and distributed by truck to each orphanage bi-monthly. All orphanages are within 50 miles of Monrovia.
