March: Literacy Month

In Rotary we recognize March as literacy Month. This is when we focus on the importance of literacy and education in our humanitarian service.

In our club's locality most children follow a basic education and will learn how to read and to write. "Being literate does not just mean the ability to read a book or a news paper. Being literate means being able to comprehend the instructions on a medicine bottle, a set of directions, or a job posting". Literacy means being part of the larger society. It means inclusion, and it means empowerment".

(Excerpt from G.E. Estess Sr., Foundation trustee chair, March 2010 message on literacy.)
