

Open house offers a firsthand look into the future - By Darrick Buettner

“Law and Order,” “CSI,” “House” — these television dramas are not only popular, they also give high school students insight into possible careers. But, do these shows accurately portray the day to day reality of a lawyer or a crime scene investigator or a doctor? No! Unfortunately, students see these shows and, unable to see where fiction ends and reality begins, make judgments about their future goals and plans based on faulty information.

Lecanto High School in conjunction with the Citrus County IB Parent Organization would like to help students get more accurate information about possible future careers. On April 30 from 10 a.m. to 1 p.m., Lecanto High School will host a “Career Open House” for current Citrus County high school juniors. The goal for this event is to bring businesses and professionals (even retired) who reside in Citrus County together with students so that students can get a firsthand account of a career and how to realistically pursue their dream.

If you are a business or a professional in Citrus County, why would you want to attend this event? First, you could give back to our community by sharing information about what you do on a day to day basis. Second, you may find an ambitious, bright, and hardworking young man or young woman who may be a good intern this summer —or— even employee.

If you are a business or a professional in the community (even if you have retired) and are interested in participating in this “Career Open House,” please email Mr. David Strickland at [DSTRICKLAND18@tampabay.rr.com](mailto:DSTRICKLAND18@tampabay.rr.com) to let him know.

High school juniors who are interested in attending need to “apply” by creating a resume and sending that resume to Mr. Darrick Buettner via email at [buettnerd@citrus.k12.fl.us](mailto:buettnerd@citrus.k12.fl.us). The IB Parent Organization will evaluate the resumes and then give students feedback on that resume. Students will also need to dress formally and conduct themselves in a very professional manner.

This “Career Open House” is Lecanto High School’s attempt to expand our students’ education by giving them real information about careers and to bring students and business together for mutual benefit.

Darrick Buettner is International Baccalaureate coordinator at Lecanto High School.

SERVICE Above Self

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
