Dear Rotarians

**THANK YOU** for your past support of The Rotary Foundation of

Rotary International.

\$1 of a gift like yours gave Marisol safe drinking water for a day.

\$100 provided a bio sand filter for her family and neighbors.

\$1,000 helped establish a micro credit lending program in

her community, the Agua Negro Barrio, west of Puerto Plata, Dominican Republic.

Because of gifts like yours, a neighbor opened a beauty shop using the clean water provided by the bio sand filter. That led to a growing economy. More kids had the opportunity to attend school and have since learned to read. A world of opportunity is now available to them.

Because of gifts like yours, Marisol has a brighter future. She hopes to become a doctor. It all started with you.

If you have already made a gift to the Annual Programs Fund this year, but it has yet to reach the Foundation, please accept my thanks. If not, will you consider making a gift before the end of the Rotary year on 30 June?

Your continued support will help children like Marisol and their families escape the cycle of poverty.

Thank you,

Carl Wilhelm-Stenhammar, Chairman

The Rotary Foundation Trustees, RI
